Pastel: Portraits - Ken Goldman 1992

In this book, Ken Goldman invites you into his artistic world as he shows you how to re-create a variety of beautiful portraits in pastel. He explains his own approach to pastel techniques, as well as his personal method of developing a work of art from start to finish. As you follow along with the step-by-step demonstrations, you also will learn the basics of human anatomy and proportion, as well as how to select colors to make a realistic flesh-tone palette for people of various ethnic backgrounds. This fully illustrated guide contains a variety of beautiful and interesting portraits to both copy and admire, and it will make a welcome addition to any pastel artist's library!

The Essence of Watercolour - Hazel Soan 2018-02-15

A paperback reissue Hazel Soan's classic practical art book. Hazel Soan is a well-known and popular artist and an enthusiastic and inspirational teacher. In *The Essence of Watercolour* Hazel shows how wonderfully versatile and beguiling the medium of watercolour is and how to get the most out of it. Hazel stresses how important it is to understand the characteristics of the medium in order to exploit it to the full. She encourages the reader to explore the properties of watercolour and to be unafraid of strength of colour and brushstroke. Hazel shows through demonstration and projects that tone is king in watercolour and illustrates how to paint light with the use of shade. Armed with this

understanding she demonstrates that watercolour is not such an unforgiving medium after all: accidents and mistakes can be disguised, overridden and corrected. *The Essence of Watercolour* is a culmination of many years of Hazel's teaching and demonstrating, in which she offers inspirational insights into the secrets of watercolour painting and encourages artists to take their art to the next level.

The Art of Drawing Poses for Beginners - Ken Goldman 2022-10-04

With a wealth of illustrated graphite portrait references and step-by-step pencil lessons, *The Art of Drawing Poses for Beginners* will help you master drawing realistic human figures in a range of different positions. This helpful 128-page guide reveals the process of drawing the human figure as it pertains to anatomy, proportions, volume, mass, gesture, movement, and expression. From there, discover how these characteristics come together using light, shape, line, and form to accurately depict the human figure in a variety of everyday poses. Step-by-step drawing instructions and techniques demonstrate how to capture realistic poses as they differ from one person to the next across a range of human characteristics. In section 1 of this book, learn the tools, materials, and techniques used in drawing before diving into the basics of portraiture and human anatomy. In section 2, practice a variety of basic stationary poses before moving on to the dynamic poses in section 3. Section 4 covers expressive portraits and conveying mood and facial

expressions. Finally, with lots of examples, section 5 covers many of the artistic compositions you can use when drawing people. Packed with helpful illustrated references, hundreds of tips, and loads of expert instruction, *The Art of Drawing Poses for Beginners* is the perfect resource for artists of all skill levels—and one that will be referred to over and over again. Walter Foster Publishing's Collector's Series offers a broad range of projects across a variety of mediums and genres, such as drawing, oil, acrylic, watercolor, cartooning, calligraphy, and others. Suitable for beginning to intermediate artists, each book features in-depth instruction about how to work with the tools of the trade, master techniques, and use newfound skills in practical application via step-by-step projects.

Art Studio: Faces & Features - Walter Foster Creative Team
2018-11-06

Art Studio: Faces & Features introduces beginning artists and art enthusiasts to the art of drawing and painting heads, faces, and expressions using a variety of mediums. Drawing and painting heads, faces, and expressions can be an intimidating prospect for a beginning artist. *Art Studio: Faces & Features* is here to help, with more than 50 tips, techniques, and step-by-step projects that will have you creating expressive faces and mastering textures in all your drawings. This intuitive guide shows you how to work with graphite and colored pencils; acrylic, oil, and watercolor paints; pastels; and even pen and ink. This range of mediums is the perfect way to experiment, build artistic confidence, and define your own unique style. *Art Studio: Faces & Features* makes the art of drawing expressions possible for beginning fine artists. The *Art Studio* series is designed to help beginning artists venture into fine art; an overview of each art medium helps them determine which they like best.

Watercolor Techniques - Michael Reardon 2016-03-29

"No other medium is as magical and enjoyable as watercolor." So says artist and author Michael Reardon. In *Watercolor Techniques: Painting Light and Color in Landscapes and Cityscapes*, Reardon covers it all, from answers to beginners' most vexing problems (What is the proper

ratio of pigment and water? How do I lay down an even wash? Why do my paintings look so washed out?) to understanding the trifecta of perspective, value, and color. He shows how to paint whites that sparkle and shadows that glow and how to conjure the atmosphere of a particular place and time. Painters of all skill levels will see—and feel—the difference in their work. • Packed with expert advice for infusing scenes with light and color • Includes special tips and techniques for painting architectural subjects • Illustrated with inspiring paintings of scenes from around the world • 8 start-to-finish demonstrations show key concepts in action "Light, as it glances off a facade, glimmers off the water or gleams off polished marble, is always inspiring. Color, with its infinite array of hues, is always irresistible. Searching for ways to make them harmonize and tell a story can last a lifetime."

Life Drawing for Artists - Chris Legaspi 2019-12-10

Life Drawing for Artists teaches a contemporary approach to figure drawing that includes both the familiar poses—standing, sitting, lying down—but also how to capture figures in movement and in more dynamic and engaging positions. Author Chris Legaspi is a dedicated, life-long artist and admired instructor who is known for his dynamic figurative drawings and paintings, and as a successful illustrator in the entertainment industry. Whether you are an aspiring illustrator, art student, or a professional artist looking to develop your abilities, *Life Drawing for Artists* shows how to build your skills by combining fundamental building blocks, such as gesture lines, shape and design, structure, value control, and edge or line control. You'll focus on different skills while working on both quick timed drawings and longer detailed drawings. The book covers important topics, such as drawing different views, understanding perspective, foreshortening strategies, and how to deal with various lighting conditions. The examples and tutorials explore virtually every pose scenario, as well as many active and dynamic movements. Breathe drama into your figures as you master the fundamentals with this fresh approach to life drawing. The *For Artists* series expertly guides and instructs artists at all skill levels who want to develop their classical drawing and painting skills and create realistic

and representational art.

Figure Painting in Watercolor - Charles Reid 1972

Detailed instructions and numerous illustrations provide a comprehensive guide to painting the figure in watercolor

Working South - Mary Whyte 2012-12-12

In *Working South*, renowned watercolorist Mary Whyte captures in exquisite detail the essence of vanishing blue-collar professions from across ten states in the American South with sensitivity and reverence for her subjects. From the textile mill worker and tobacco farmer to the sponge diver and elevator operator, Whyte has sought out some of the last remnants of rural and industrial workforces declining or altogether lost through changes in our economy, environment, technology, and fashion. She shows us a shoeshine man, a hat maker, an oysterman, a shrimper, a ferryman, a funeral band, and others to document that these workers existed and in a bygone era were once ubiquitous across the region. "When a person works with little audience and few accolades, a truer portrait of character is revealed," explains Whyte in her introduction. As a genre painter with skills and intuition honed through years of practice and toil, she shares much in common with the dedication and character of her subjects. Her vibrant paintings are populated by men and women, young and old, black and white to document the range Southerners whose everyday labors go unheralded while keeping the South in business. By rendering these workers amid scenes of their rough-hewn lives, Whyte shares stories of the grace, strength, and dignity exemplified in these images of fading southern ways of life and livelihood. *Working South* includes a foreword by Martha Severens, curator of the Greenville County Museum of Art in Greenville, South Carolina.

Life Drawing - Robert Barrett 2013-04-12

Master the art of drawing the figure. Drawing from life has been an important source of expression and satisfaction for artists through the ages. Robert Barrett, master fine artist, instructor and university professor, re-creates his studio class on the pages of this book. Inside, you'll find a complete introduction to life drawing. You'll learn not only

how to accurately portray the figure, but also how to bring life and personality to your drawing subjects. Detailed lessons, including step-by-step demonstrations, cover the fundamentals of drawing and design.

You'll learn: How to capture your subject's character. The basics of figure anatomy, proportion and design. How to use light and shadow to create form. How to draw drapery and backgrounds. Barrett shows you how to achieve superb figure drawings--clothed and unclothed, male and female--filled with beauty and depth of expression. Find out what artists have always known--magnificent art comes from the life all around you!

Figure Drawing - Jennifer Gennari 2015-04-29

With *Figure Drawing*, aspiring graphite and charcoal artists will learn everything they need to know about drawing the human figure and how to master gestures, proportions, and body movement. The book begins with an introduction to basic tools and materials, guiding the reader in how to select the right pencils, papers, erasers, and other materials to begin their study of life drawing. Additionally, artists will find a plethora of information about drawing techniques, blending, and shading. Before diving into the easy step-by-step exercises, aspiring artists will also find helpful instruction in how to render form and features, including facial features. Talented professional artist Jennifer Gennari guides the reader in how to use drawing pencils to render lifelike gestures and movement through a variety of step-by-step projects that demonstrate the basics of composition, contour drawing, and rendering anatomy, as well as a variety of techniques such as blending, shading, and using light and shadow to bring the form to life. With its breadth of instruction, variety of subject matter, and inspirational artwork, *Figure Drawing* is the perfect resource to start building artist proficiency in the art of drawing the human figure.

Painting People in Watercolor - Alex Powers 2015-03-09

A fresh approach to portrait and figure painting in watercolor In *Painting People in Watercolor*, Alex Powers provides a comprehensive guide on working with watercolor, mastering the principals of design, and understanding the fundamentals of portrait painting. Powers takes the inquiring artist beyond photorealistic painting and acquaints painters

with the human form from a design perspective. Shifting the focus from subject matter to composition and aesthetics, Powers demonstrates how you can enjoy watercolor painting by expressively capturing character in faces and figures. An abundance of Powers's paintings illustrate the theories and techniques covered. The culmination of 23 years of Powers's painting experience, *Painting People in Watercolor* provides clarity and insight on successful watercolor painting techniques for novice to advanced students and doubles as a guide for teachers. 175 color plates; 100 black & white illustrations. Alex Powers, a nationally recognized artist, instructor, and juror, has been a self-employed artist and teacher since 1970. While its style ranges from traditional to modern, his art is best known for its passionate, perceptive portrayals of the human form. As a writer and critic, he frequently contributes to art periodicals, and his work has been featured in museum and art exhibitions across North America. Powers divides his time between painting, drawing, and teaching workshops throughout the United States and Canada.

Practical Art Anatomy - Edwin George Lutz 1918

Learn to Paint People Quickly - Hazel Soan 2017-03-16

A practical guide to learn painting individual people and crowds, with simple exercises and step-by-step demonstrations. Bestselling artist and writer Hazel Soan has distilled her art teaching into the things that matter most and can be digested in a short period of time. Learning to paint is one of the life-long aspirations of many of us and the techniques of painting lively crowd scenes or portraits of loved ones can be picked up faster than you think. In this concise book, Hazel Soan explains everything you need to know about figurative painting in an accessible way. She advises on how to paint people in a variety of poses and settings, dealing with the theories of colour and light in a way that beginners will understand and more experienced painters will find invaluable. She also guides you through ways to insert people into your pre-existing painting to bring them to life; scenes like urban streets and on the beach are explored. Subjects like how to paint portraits and getting to grips with body proportion and perspective are also covered. Both media of watercolours and oils are covered, making this the perfect book for any type of artist. Filled with easy-to-follow exercises and demonstrations, this is a practical and helpful guide to learning to paint people very quickly.

The Artist's Complete Guide to Figure Drawing - Anthony Ryder
2014-03-02

Many of us want to learn "how to draw." But as artist Anthony Ryder explains, it's much more important to learn what to draw. In other words,

to observe and draw what we actually see, rather than what we think we see. When it comes to drawing the human figure, this means letting go of learned ideas and expectation of what the figure should look like. It means carefully observing the interplay of form and light, shape and line, that combine to create the actual appearance of human form. In *The Artist's Complete Guide to Figure Drawing*, amateur and experienced artists alike are guided toward this new way of seeing and drawing the figure with a three-step drawing method. The book's progressive course starts with the block-in, an exercise in seeing and establishing the figure's shape. It then build to the contour, a refined line drawing that represents the figure's silhouette. The last step is tonal work on the inside of the contour, when light and shadow are shaped to create the illusion of form. Separate chapters explore topics critical to the method: gesture, which expresses a sense of living energy to the figure; light, which largely determines how we see the model; and form, which conveys the figure's volume and mass. Examples, step-by-steps, and special "tips" offer helpful hints and practical guidance throughout. Lavishly illustrated with the author's stunning artwork, *The Artist's Complete Guide to Figure Drawing* combines solid instruction with thoughtful meditations on the art of drawing, to both instruct and inspire artists of all levels.

Direct Watercolor - Marc Holmes 2018-02-15

For the last ten years, urban sketcher Marc Taro Holmes has been on a mission to travel the world drawing and painting on location. Thousands of loyal readers worldwide have been following his award-winning blog at CitizenSketcher.com, learning from his freely shared articles featuring hundreds of sketchbook drawings and watercolor paintings, his first-hand experiments with field-sketching gear, free downloadable art-workshops, and numerous over-the-shoulder, step-by-step demonstrations Along the way Marc wrote the instant classic: *The Urban Sketcher: Techniques for Seeing and Drawing on Location* (4.6 stars 180+ reviews). Marc is also the presenter of two online courses: *Travel Sketching in Mixed Media* and *Sketching People in Motion* (available from Craftsy.com). With his latest book, *Direct Watercolor* Marc brings

you a retrospective collection of over eighty of his watercolor paintings, painted side-by-side with fellow urban sketchers in ten different countries. This is the work of a plein-air painter at the top of his game, seen for the first time as a single body of work, and accompanied with his latest thoughts on the medium of watercolor. Also included - six completely new step-by-step demonstrations, systematically explaining his deceptively simple approach to painting. Marc shows you how to paint rapidly, with little or no preparation and the minimum of supplies, unlocking the secrets of spontaneous, expressive watercolor, with a unique personal vision. Whether you're already one of Marc's readers or are about to discover his boldly expressive approach, *Direct Watercolor* offers you the keys to unlocking your own adventures as a sketchbook artist, traveling watercolorist, or unconventional studio painter. Please note: This ebook version of *Direct Watercolor* is only suitable for full-color displays such as the Kindle Fire, or the Kindle app for tablets, phones, laptops, and computers.

How to Draw People - Jeff Mellem 2018-04-24

The Ultimate Beginner's Guide to Drawing Figures! To draw an anatomical figure, you don't need a stack of weighty anatomy books. Just take it step by step! In *How to Draw People*, author Jeff Mellem teaches beginning artists how to draw the human figure, from stick figure to anatomically accurate person, in clear, easy-to-follow lessons. More than just a reference, this book provides the step-by-step instruction to teach you to draw the human figure and the anatomical knowledge to draw it realistically. In each chapter, called "levels," you'll learn core concepts for drawing the human figure. Each new chapter builds on the previous one to give you the skills you need to add complexity to your drawing. By the end of each chapter, you will be able to draw the figure with greater detail. By the end of Level 5, you will be able to draw an expressive figure with defined muscle groups in a variety of poses both real and imagined.

- Clear goals to progress from stick figure to anatomically correct
- Exercises and assignments to practice new skills
- Level-Up Checklists in each chapter to assess your skills before moving on

With clear step-by-step demonstrations and check-ins along the way, *How to*

Draw People is the beginner's guide to drawing realistic figures.

Expressive Figure Drawing - Bill Buchman 2010-12-14

Throughout the history of art, figure drawing has been regarded as the very foundation of an artist's education and the center of the art-making process. Bill Buchman's *Expressive Figure Drawing* presents the classic fundamentals of this genre, but with a distinctly contemporary twist—celebrating freedom, expressiveness, and creativity. This unique method incorporates more than 30 essential exercises, empowering you to draw the figure dramatically and with confidence, no matter your current level of skill. Filled with step-by-step demonstrations, inspiring images, and insightful text revealing a wide range of techniques and concepts, this book presents new ways to think about the figure and use your materials to free the artist within.

Art of Drawing the Human Body - Inc. Sterling Publishing Co. 2004

Offers a detailed study of the anatomical structure of the human body, and provides tips on motion, proportion, and shading the figures.

Painting Portraits and Figures in Watercolor - Mary Whyte 2011-12-06

Using clear and concise language and in-depth, step-by-step demonstrations, author and renowned artist Mary Whyte guides beginning and intermediate watercolorists through the entire painting process, from selecting materials to fundamental techniques to working with models. Going beyond the practical application of techniques, Whyte helps new artists learn to capture not just the model's physical likeness, but their unique personality and spirit. Richly illustrated, the book features Mary Whyte's vibrant empathetic watercolors and works by such masters of watercolor as Mary Cassatt, Thomas Eakins, Winslow Homer, John Singer Sargent, and Georgia O'Keeffe.

Dynamic Human Anatomy - Roberto Osti 2021-04-06

An essential visual guide for artists to the mastery and use of advanced human anatomy skills in the creation of figurative art. *Dynamic Human Anatomy* picks up where *Basic Human Anatomy* leaves off and offers artists and art students a deeper understanding of anatomy, including anatomy in motion, and how that essential skill is applied to the creation

of fine figurative art.

Drawing Secrets Revealed - Basics - Sarah Parks 2014-10-22

Learn to draw anything you see! Discover the artists' "secrets" that make drawing accessible for everyone. Sarah Parks shares with you her favorite materials and the basic techniques that make it possible. Follow along as she guides you through 20+ demonstrations: You'll learn how to strip a composition down to its basics before learning to build it back up into the masterpiece you've long imagined creating. Everything is covered, from the simple shapes of a composition, to the block-in of your drawing, to shading and proportions. You may be new to the world of drawing, but soon you'll be able to draw anything! • Get 3-D effects in your drawings • Develop your artist's eye by learning to refine the overall shape, structure and features of the subjects around you • Draw dynamic figures and gain a better understanding of their basic structure 20+ step-by-step demonstrations cover everything from still life to people to animals and more!

Tomart's Value Guide to Disney Animation Art - Tom Tumbusch 1998

Figure Drawing Atelier - Juliette Aristides 2019-09-17

"The best way to learn about art is to make it. Discover the secrets of great figure drawing as you sketch along with past and present masters. This working artist's sketchbook guides you from beginning gestures to delicate rendering. It's your art, your tradition, your time. Take your voice and add it to the tradition as if the history of art has saved the best for now."-- Juliette Aristides *Figure Drawing Atelier* offers a comprehensive, contemporary twist to the very traditional atelier approach to the methods that instruct artists on the techniques they need to successfully draw and ultimately paint the figure. The book offers art instruction, practical and progressive lessons on drawing the figure, and high-quality sketchbook paper in a beautiful package that includes blank pages for sketching and copying. Artists will then have a record of their process, like with a sketchbook, which many artists like to document and save. In this elegant and inspiring workbook, master

contemporary artist and author Juliette Aristides breaks down the figure drawing process into small, manageable lessons, presents them progressively, introduces time-tested principles and techniques in the atelier tradition that are easily accessible, and shares the language and context necessary to understand the artistic process and create superior, well-crafted drawings. Atelier education is centered on the belief that working in a studio, not sitting in the lecture hall, is the best way to learn about art. Every artist needs to learn to master figure drawing. Ateliers have produced the greatest artists of all time--and now that educational model is experiencing a renaissance. These studios, a return to classical art training, are based on the nineteenth-century model of teaching artists by pairing them with a master artist over a period of years. Students begin by copying masterworks, then gradually progress to painting as their skills develop. *Figure Drawing Atelier* is like having an atelier in a book--and the master is Juliette Aristides, a classically trained artist and best-selling art-instruction author with almost rock star popularity in the contemporary world of representational art. On every page, Aristides uses the works of Old Masters and today's most respected realist artists to demonstrate and teach the principles of realistic figure drawing and painting, taking students step by step through the learning curve yet allowing them to work at their own pace. Unique and inspiring, this book offers a serious art course for serious art students and beginners alike.

Watercolor Fashion Illustration - Francesco Lo Iacono 2021-11-09

Learn to paint outstanding fashion watercolors with expert guidance from a leading fashion illustrator. Watercolor is a wonderful medium for figure and fashion as it creates loose, impressionistic results that capture the essence of a look without getting too bogged down in the details. In this complete course, professional fashion illustrator Francesco Lo Iacono shows you how to master creating delicate, beautiful fashion illustrations. The book begins with the best tools and materials, from paints and brushes to pencils, paper and more. You'll then explore simple watercolor techniques such as washes, wet-on-wet, wet-on-dry, and using the white of the paper. Francesco then goes on to teach you about

lighting and shading, which can have a dramatic effect on your work. And finally in the front section, you'll learn about colour, how to create palettes, how to mix colours and achieving a range of skin tones. Once you've covered these fundamentals, Francesco explores the key elements of illustrating fashion, with guidance on how to approach both male and female faces, a wide variety of hair types and styles, different male and female poses, and how to draw and paint garments, reflecting tailoring, drapery, volume, texture and patterns. Twenty step-by-step projects then take these building blocks and show you how to use them to create beautiful fashion watercolors, starting with easier subjects and building in complexity as your confidence grows. You'll begin by painting handbags and shoes without models before starting to introduce figures. The range of subjects included covers all angles, from full figures front on and in profile to close-up make-up and beauty illustrations. You'll also learn how to create dynamic compositions for editorial fashion

illustration. Finally, Francesco covers the best ways to digitize and retouch your work, how to incorporate other media alongside your watercolors, how to work live at fashion events and how to take everything you've learned to develop your own personal style of fashion illustration. Francesco's clients include fashion brands Dior, Gucci, and Louis Vuitton - and with this book you'll have all the tools you need to become an A-list fashion illustrator too.

Botanical Illustration from Life - Isik Guner 1900

Figure Painting in Oil - Douglas R. Graves 1996-01-01

Handy, well-illustrated guide shows how to paint the nude figure in easy-to-follow series of 24 fully illustrated projects. Materials and equipment; anatomy; hues, tones and values; focus on painting major body parts. Over 190 illus., 33 in full color.
