Viking Academy: Viking Vow - S.T. Bende

2019-09-10

Book Three in the bestselling series from S.T. Bende. Saga Skånstad knows three things to be true: (1) She's trapped a thousand years in her past; (2) She's in love with the heir to the

unconventional Valkyris clan; and (3) A vitriolic Viking is hunting her new family . . . and he won't back down until he's claimed their entire world. With their enemies closing in, Saga and Erik undertake the near-impossible task of raising an army strong enough to defeat their fearsome foes. If they fail, it will mean the fall of Valkyris, the death of their clansmen, and an era of unimaginable darkness. Saga will do anything to protect the home she's come to love . . . even if that means walking away from the greatest happiness she's ever known. Let the battle begin.

Tur - S. T. Bende 2014-06-21

TUR: The Elsker Saga, Book 0.5 -- A Sweet Paranormal Romance Novella from The Elsker Saga. Inga Andersson is the envy of every girl in Asgard. On the surface she has it all -- great friends, a job as Odin's personal fight choreographer, and a happy ever after with her realm's hottest assassin. But when evil invades Asgard, her perfect world comes crashing down.

Someone is planning to kill off the gods, and Inga's best friend Ull is first on their list. With the Norse apocalypse a nanosecond away, Inga has to decide how she'll spend her final moments of freedom. Because from the moment this battle begins, Inga's happily ever after will be nothing more than a memory. Some things are worth fighting for. TUR is an Elsker Saga novella. It is approximately 10,000 words long.

Laughing Shall I Die - Tom Shippey
2018-05-15

Laughing Shall I Die explores the Viking fascination with scenes of heroic death. The literature of the Vikings is dominated by famous last stands, famous last words, death songs, and defiant gestures, all presented with grim humor. Much of this mindset is markedly alien to modern sentiment, and academics have accordingly shunned it. And yet, it is this same worldview that has always powered the popular public image of the Vikings—with their berserkers, valkyries, and cults of Valhalla and

Ragnarok—and has also been surprisingly corroborated by archaeological discoveries such as the Ridgeway massacre site in Dorset. Was it this mindset that powered the sudden eruption of the Vikings onto the European scene? Was it a belief in heroic death that made them so lastingly successful against so many bellicose opponents? Weighing the evidence of sagas and poems against the accounts of the Vikings' victims, Tom Shippey considers these questions as he plumbs the complexities of Viking psychology. Along the way, he recounts many of the great bravura scenes of Old Norse literature, including the Fall of the House of the Skjoldungs, the clash between the two great longships Ironbeard and Long Serpent, and the death of Thormod the skald. One of the most exciting books on Vikings for a generation, *Laughing Shall I Die* presents Vikings for what they were: not peaceful explorers and traders, but warriors, marauders, and storytellers.

[Perfekt Order](#) - S.T. Bende 2015-12-08

"Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -iBooks Official Review All's fair when you're in love with War. For seventeen-year-old Mia Ahlström, a world ruled by order is the only world she allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And while her five year plan includes finding her very own happily-evah-aftah, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings

more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had.

Shieldmaiden Squadron - S.T. Bende 2021-08-24
Eighteen-year-old Ingrid Tirsdatter is a shieldmaiden—a Viking warrior tasked with protecting her clan while upholding their virtues of honor, valor, and total domination. She's one-hundred-percent focused on climbing the shieldmaiden ranks, and not at all focused on Axel Andersson—the overly confident and unnaturally good-looking warrior who saved her life exactly one time . . . and hasn't let her forget it. When an unparalleled enemy threatens Ingrid's clan, she vows to do everything in her power to protect her home. But saving Valkyris will require her to travel one thousand years into the future, join an elite Southern California sorority, capture a magic-wielding psychopath . . . and not fall for the one warrior in all the realms who could be her undoing. Ingrid's new

assignment is a nightmare in the making, but she's determined to do her clan proud. After all, she's a shieldmaiden. And shieldmaidens never back down. This is a full length, young adult fantasy for readers who love action, adventure, subterfuge and romance.

Viking Academy: Viking Conspiracy - S.T. Bende 2019-07-16

BOOK TWO IN THE BRAND NEW SERIES FROM BESTSELLING AUTHOR S.T. BENDE
Trapped in a world she never knew existed, Saga Skånstad throws herself into her new life at Viking Academy. She learns to scale icy mountains, shoot flaming arrows, and ride on the back of a particularly ill-tempered dragon. But when Erik abruptly disappears, and the true reason for Saga's arrival in his world is unveiled, her fears only increase—not just for herself, but for the Viking who's captured her heart. When a surprise attack threatens her new home, Saga quickly realizes her life is on the line. Valkyris' enemies are determined to bring down her clan,

destroy its heir, and force her into a living nightmare. Saga will do whatever it takes to preserve the world her friends have worked so hard to build. But her choice may cost her the life she never knew she wanted . . . and a love she never could have imagined.

Ballads of the North, Medieval to Modern -

Sandra Ballif Straubhaar 2019-04-15

This volume is intended as a belated but heartfelt thank-you and Gedenkschrift to the late Larry Syndergaard (1936-2015), long-time professor of English at Western Michigan

University and Fellow of the Kommission für Volksdichtung (International Ballad Commission). Larry's contributions down the decades to ballad studies--particularly Scandinavian and Anglophone--included dozens of papers and articles, as well as his supremely useful book, English Translations of the Scandinavian Medieval Ballads. As David Atkinson and Thomas A. McKean of the Kommission have written (May 2015): "Larry... was a sound scholar with a penetrating mind which he used to support, encourage and befriend others, rather than show off his own knowledge. He will be remembered for his contributions to international balladry, especially for providing a bridge between the English- and Scandinavian-language ballads." Larry's particular fascination with the vernacular ballads of the northern medieval world are reflected in this collection; topics here range from plot elements such as demonic whales, otherworldly antagonists, and mer-

people to thematic issues of genre, religion and sexual mores. As a tribute to the global influence of Larry's scholarship and the broad academic interest in medieval ballads, the essays in this volume were contributed by twelve international scholars of narrative song based in Europe, North America and Australia.

New Trends in Audiovisual Translation - Jorge Díaz Cintas 2009-04-15

New Trends in Audiovisual Translation is an innovative and interdisciplinary collection of articles written by leading experts in the emerging field of audiovisual translation (AVT). In a highly accessible and engaging way, it introduces readers to some of the main linguistic and cultural challenges that translators encounter when translating films and other audiovisual productions. The chapters in this volume examine translation practices and experiences in various countries, highlighting how AVT plays a crucial role in shaping debates about languages and cultures in a world increasingly dependent on audiovisual media. Through analysing materials which have been dubbed and subtitled like Bridget Jones's Diary, Forrest Gump, The Simpsons or South Park, the authors raise awareness of current issues in the study of AVT and offer new insights on this complex and vibrant area of the translation

discipline.

How Outlaws Win Friends and Influence People - Tereza Kuldova 2019-03-09

This book asks a critical question for our times: why do an increasing number of people support, admire and aspire to be outlaws? Outlaw motorcycle clubs have grown, spread and matured. Popular culture glamorizes them; law enforcement agencies fight them and the media vilify them. Meanwhile, the outlaw bikers exploit the current cultural and economic climate to attract new members. How Outlaws Win Friends and Influence People argues that the growth of these anti-establishment groups under neoliberalism is not coincidental, but inevitable. The book asks a critical question for our times: why do people today, in increasing numbers, support, admire and aspire to be outlaws? What needs and desires do the clubs satisfy? How do they win support and influence? Answering this is crucial if we are to successfully fight the social harms caused by these groups, as well as the

harms that underlie their proliferation. Unless we understand the cultural dynamic at play here, our fight against these organizations will always take the form of a battle against the mythological Hydra: when one head is cut off, two more grow. "Tereza Kuldova is a rebel with a cause - her new book is a razor-sharp critique of stereotypical conceptions of the 'outlaw biker' and provides refreshing insights into their subjective life-worlds" - Daniel Briggs, author of the award-winning *Dead-End Lives*.

Perfekt Balance (The Ære Saga: Book 3) - S.T. Bende 2016-04-05

"Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -iBooks Official Review, *The Ære Saga: Book 1* Become what you believe. Elsa Fredriksen knows there's a thin line between love and fear. As High Healer, she rights the wrongs committed by those who choose the darkness. But even Asgard's secret weapon can't undo every injury—especially when her fate is

completely entwined with the god she's trying to save. Elsa's in love with the Norse God of Justice. But Forse's heart is ruled by fear—fear that the past will repeat itself; fear that opening his heart will compromise his ability to do his job; fear that he'll hurt the one girl he desperately wants to protect. Again. When Elsa faces off against the very monster she once swore to protect, her survival depends on a power she isn't sure she can control. And when Forse's worst nightmare unfolds in front of him, Elsa has to decide whether it's more important to hold the realms in perfekt balance . . . or hold onto the guy she can't imagine existing without. *Elsker* - S.T. Bende 2015-05-03

****The internationally bestselling series!**** Kristia Tostenson prefers Earl Grey to Grey Goose and book clubs to nightclubs. But when she transfers from her one-stoplight Oregon town to Cardiff University in Wales, she falls in love with Ull Myhr. Her new boyfriend isn't exactly what she was expecting. Ull is an honest-to-goodness

Norse god — an immortal assassin fated to die at Ragnarok, the battle destined to destroy Asgard and Earth. When someone starts asking the wrong questions, Kristia realizes the crazy visions she's had all her life might be the key to saving their realms... even if they end up costing her her life. Her orderly world just got very messy. (Elsker: The Elsker Saga, Book One)

Redeemer - Leia Stone 2017-09-20

Hunt down the weapon pieces, destroy the night goddess, protect Midgard (Earth). That was always the mission . . . When an unexpected sacrifice turns Allie's world on its head, she discovers her true function within the Asgardian world. Her new purpose has much higher stakes- and significantly bigger dangers-than she ever could have imagined. And as the Goddess of Night unleashes an unparalleled wave of fury across the realms, Allie's dream of a peaceful future with her favorite protector all but disappears. Nott's determined to control Midgard. But Allie has more to fight for than

ever before, and she's determined to end the Night War . . . no matter what it costs her.

Protector - Leia Stone 2017-04-10

Love. Honor. Protect. As an Environmental Studies major, Allie knows the planet is in trouble-a series of natural disasters recently rocked the northern hemisphere, and species across the globe are going extinct. What Allie doesn't know is that her world's decline is a result of an ancient battle called the Night War-the Norse goddess Nott's crusade to control the weakest of the light realms. And Allie most definitely doesn't know that her existence is the only thing stopping Nott from dragging the earth into total darkness. When four gorgeous guys show up claiming to be Allie's Asgardian protectors, she thinks they're delusional. And when they order her to hunt down the pieces of an immortal weapon, she's convinced they're insane. But when Allie's attacked, the guys' crazy stories of demigods and dark elves begin coming together. And Allie's not sure what

scares her more-losing her life to the Goddess of Night . . . or losing her heart to one of her protectors. Let the hunt begin.

Music and Resistance - Michael Custodis 2021

The role of music during the German occupation of Norway (1940-45) proves to be an exceptional case for cultural opposition in a dictatorship.

Few famous musicians, some local celebrities and innumerable hardly known activists preferred artistic instead of militant means to demonstrate reluctance, spread information, contradict the legitimacy of the German occupants and raise the moral strength of fellow countrymen in Norway and abroad, while risking to be caught, incarcerated and driven into exile. The indispensable advantage was the popular belief of art as an apolitical matter so that music even could reach into fields that would have been inaccessible to open political agitation. Based on considerable findings in public archives and private collections, this book discusses music in concentration camps in

Norway and the fate of Jewish musicians, portrays choirs, military ensembles, orchestral and church music in Norway. It further analyzes Harald Sæverud's 5th symphony and Moses Pergament's choir symphony *Den judiska sången*, illustrates the exile of musicians in Stockholm and discusses resistance music in historic media such as the Errol Flynn-movie *Edge of Darkness* (1943), recapitulated by a model for music as resistance.

[Perfekt Match \(The Ære Saga: Book 4\)](#) - S.T. Bende 2018-06-26

The thrilling conclusion to S.T. Bende's bestselling urban fantasy series! "Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." - iBooks Official Review, *The Ære Saga: Book 1* For honor. For love. For Asgard. Valkyrie Brynn Aksel is ready for some downtime. But when an urgent warning arrives from Asgard, heralding the death of a beloved god and the dawn of Ragnarok—the not-so-mythological end of

days—it becomes clear there's no rest for the gods . . . not when future of the realms is on the line. Goddess of Love Freya Skönsten can't shake the darkness that's clung to her since her Helheim imprisonment. An unsanctioned romantic connection with a mortal is the only thing keeping her in the light, but Freya's vow to the Norns prevents her from fully uniting with her perfekt match. When Hel returns to finish what she started, Freya must decide how much she's ready to sacrifice to save the family she loves . . . and whether she's willing to give up everything for the worlds she's sworn to protect. With the forces of darkness aligning to destroy the realms, it's clear more than just Love hangs in the balance. Ragnarok has arrived. And it's shaping up to be the perfekt storm.

Alfheim Academy (Alfheim Academy - S.T. Bende 2020

Aura Nilssen has spent most of her sixteen years in hiding. As crown princess of Alfheim, her life depends on avoiding the assassins who killed her parents and want to destroy her realm. When hunters corner Aura on Midgard (Earth), she's immediately evacuated and enrolled at Alfheim Academy--a training ground where telepathic teenagers, daily combat lessons, and communication from beyond is the norm. She attends classes that enhance her energetic abilities, labs that fine tune her mental acuity, and workouts with a supernaturally good looking--and suspiciously evasive--training partner. But it's what she learns outside the classroom that proves most difficult: as Queen of Alfheim, Aura's grandmother played a heartbreaking role in the death of Aura's parents . . . and her iron fisted monarchy is pushing the realm to the brink of extinction. If Aura doesn't take her grandmother's crown, the home she's

only just begun to love may be lost forever. When an unprecedented attack threatens the very heart of Alfheim, Aura has to decide what she's willing to sacrifice to protect her new home. Her choice may mean the difference between survival and annihilation--not only for Aura, but for the world she's always been destined to rule.

Communities of Musical Practice - Ailbhe Kenny 2016-04-28

Every day people come together to make music. Whether amateur or professional, young or old, jazz enthusiasts or rock stars, what is common to all of these musical groups is the potential to create communities of musical practice (CoMP). Such communities are created through practices: ways of engaging, rules, membership, roles, identities and learning that is both shared through collective musical endeavour and situated within certain sociocultural contexts. Ailbhe Kenny investigates CoMP as a rich model for community engagement, musical participation and transformation in music education. This book is the first to produce a valid and reliable in-depth study of music communities using a community of practice (CoP) framework - in this case focusing on the social process of musical learning. Employing

case study research within Ireland, three illustrations from particular sociocultural, genre-specific, economic and geographical contexts are examined: an adult amateur jazz ensemble, a youth choir, and an online Irish traditional music web platform. Each case is analysed as a distinct community and phenomenon offering sharpened understandings of each sub-culture with specific findings presented for each community.

The Saga of the Aryan Race - Porus Homi Havewala 2012-06

The Saga of the Aryan Race is a historical epic about the origins of the Aryan people. The Saga chronicles the ancient Indo-Europeans of twenty

thousand years ago, who proudly called themselves the Aryans - the Noble Ones. They were the first worshippers of Ahura Mazda, the name of God in the ancient Aryan tongue of Avestan. The Saga is a work of historical fiction based on Zoroastrian scriptures. Volumes I and II speak of the early days of the Aryans in the ancestral homeland Airyane Vaejahi, the seedland of the Aryans, and the great migrations to Iran, land of the Aryans. Volumes III, IV and V carry on with the childhood and youth of the first Aryan prophet, Asho Zarathustra, his revelations from the Creator Ahura Mazda and his divine mission to rejuvenate the ancient religion in Iran. Ancient Avestan words and concepts from sacred texts such as the Gathas, Vendidad, and Yashts, are woven into the story in a way that makes these lofty ideals easy to understand. This is a wonderful legend from the time of the Aryan ancestors that is little known in the Western world. The author, Porus Homi Havewala, born in India, is descended from the Aryan forefathers

who settled in Iran. A group of Aryans, known as Parsi Zoroastrians, migrated to India after the Arab conquest of Iran in order to preserve their ancient Aryan religion. The aim of the author in writing this book is to inspire his fellow Aryan Zoroastrians, especially the young, with faith and righteous pride in their religion, like their Aryan ancestors in ancient times, as well as to educate others about the remarkable history and beliefs of the Aryan peoples.

Kiaras saga 3 - Der brænder en ild - Margit Sandemo 2018-02-21

Kiara har trukket vinderloddet i kærlighedens lotteri, og nu er det hende og Niklas for resten af livet. Men det unge par møder store udfordringer - ikke mindst når de forfølges af de overlevende medlemmer af det hemmelige broderskab. De to hævngherrige og grådige riddere vil have fat i den gamle, keltiske skat, og de skyr ingen midler for at nå deres mål. "Skyd heksen, skyd heksen!" gentog døden og fulgte sin egen ordre. Hans kugle ramte Kiara i armen, og hun sank sammen i smerte. De andre gjorde alt for at standse blødningen, men hun blev snart uhyggeligt bleg, og øjnene var lukkede. Danmarks gamle folkeviser. Bind 3 - Svend Grundtvig 2020-01-15

Danmark har en lang tradition for folkeviser. Hver vise fortæller på sin egen måde noget om den tid, den er skrevet i, og de mennesker, der har overleveret den. Svend Grundtvigs samling "Danmarks gamle folkeviser" er en udførlig samling af denne store del af den danske kulturarv. Den er delt op i otte bind, hvoraf hvert beskæftiger sig med en bestemt type folkeviser.

Bind 3 er en samling af historiske viser, der hver især fortæller om en særlig periode eller begivenhed i danmarkshistorien. Viserne er en spændende måde at lære om, hvordan man opfattede Danmarks historie i gamle dage. Svend Grundtvig (1824-1883) var en dansk sprogvidenskabsmand og litteratur- og folkemindeforsker. Han var søn af N.F.S. Grundtvig, der tændte sønnens interesse for folke- og kæmpeviser, da han købte et håndskrift med folkeviser fra 1656. Svend Grundtvig udgav et væld af bøger med folke- og kæmpeviser, folkeeventyr og folkløse fra både Danmark, England og Skotland.
