More Altars of Remembrance - Hannah Hofer
2021-03-03

Whenever God did something amazing or a miracle in the lives of His people, He told them to build an altar of twelve large stones to remember His gift to them. However, it is also for their children to ask what it is for, so they

could tell them about the faithfulness of their God. When I asked the Lord what He wanted me to name this book He put strongly in my heart "Altars of Remembrance" to tell all the wonderful ways He guides and protects those who are His. Now with her second book "MORE Altars of Remembrance" it continues with the unbelievable love and faithfulness of this great God. Hannah has started a third book and looks forward to what the Lord will put in that one.

Quick and Easy Air Fried Breakfast Recipes - Samiyah Pearson 2021-04-08

!! 55% OFF FOR BOOKSTORES !! Did you know that air fryers require you to use less oil to cook food than deep fryers? Were you aware of the fact that air fryers cook food with lower fat content and thus help decrease calorie

consumption? Air fryers can encourage weight loss due to the way in which foods are cooked. Compared to deep-frying, utilizing an air fryer may minimize the use of dietary acrylamide, a chemical which is associated with some forms of cancer. Air-fried foods are comparatively lower than deep-fried foods in calories, fat, and acrylamide, which makes consuming such foods healthier. Air fryers have witnessed a surge in popularity because of an increase in health awareness among people. Air fryers facilitate healthy lifestyles because they help "fry" food without having the harmful health effects that ensue when foods are fried in oil. You can also cook many foods in an air fryer, including chicken, fries, pastries, or fish. Moreover, if you are cooking rice, you will need little or no oil at all. This book is helpful for anyone who is concerned about his or her health and wants to live a longer life. If this describes you, then get your copy today and enjoy eating food that will help you lead an active and healthy life!
