[White is for Witching](#) - Helen Oyeyemi 2014-02-04

Winner of the Somerset Maugham Award One of Granta's Best Young British Novelists From the acclaimed author of What Is Not Yours Is Not Yours, Gingerbread, and Peaces There's something strange about the Silver family house in the closed-off town of Dover, England. Grand and cavernous with hidden passages and buried secrets, it's been home to four generations of Silver women—Anna, Jennifer, Lily, and now Miranda, who has lived in the house with her twin brother, Eliot, ever since their father converted it to a bed-and-breakfast. The Silver women have always had a strong connection, a pull over one another that reaches across time and space, and when Lily, Miranda's mother, passes away suddenly while on a trip abroad, Miranda begins suffering strange ailments. An eating disorder starves her. She begins hearing voices. When she brings a friend home, Dover's hostility toward outsiders physically manifests within the four walls of the Silver house, and the lives of everyone inside are irrevocably changed. At once an unforgettable mystery and a meditation on race, nationality, and family legacies, *White is for Witching* is a boldly original, terrifying, and elegant novel by a prodigious talent.

[Wicked](#) - Gregory Maguire 2009-10-13

This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller *Wicked* views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, *Wicked* offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined.

[Gift-Wrapped Governess](#) - Sophia James 2011-10-18

Governess to Christmas Bride by Annie Burrows: Lord Chepstow hasn't seen Honeysuckle Miller since she was a plain, awkward schoolgirl. Now she's not so plain and is looking after the host's children at a lavish Christmas house party. And the last thing Lord Chepstow expected to want on his Christmas list is the prim governess!"--Publisher description.

[The English Governess at the Siamese Court](#) - Anna Harriette Leonowens 2009-08

Such was Chow Phya Sri Sury Wongse when I was first presented to him: a natural king among the dusky forms that surrounded him, the actual ruler of that semi-barbarous realm, and the prime contriver of its arbitrary policy. Black, but comely, robust, and vigorous, neck short and thick, nose large and nostrils wide, eyes inquisitive and penetrating, his was the massive brain proper to an intellect deliberate and systematic. Well found in the best idioms of his native tongue, he expressed strong, discriminative thoughts in words at once accurate and abundant. His only vanity was his English, with which he so interlarded his native speech, as often to impart the effect of levity to ideas that, in themselves, were grave, judicious, and impressive.

[Salt Sugar Fat](#) - Michael Moss 2013-02-26

From a Pulitzer Prize-winning investigative reporter at The New York Times comes the troubling story of the rise of the processed food industry -- and how it used salt, sugar, and fat to addict us. *Salt Sugar Fat* is a journey into the highly secretive world of the processed food giants, and the story of how they have deployed these three essential ingredients, over the past five decades, to dominate the North American diet. This is an eye-opening book that demonstrates how the makers of these foods have chosen, time and again, to double down on their efforts to increase consumption and profits, gambling that consumers and regulators would never figure them out. With meticulous original reporting, access to confidential files and memos, and numerous sources from deep inside the industry, it shows how these companies have pushed ahead, despite their own misgivings (never aired publicly). *Salt Sugar Fat* is the story of how we got here, and it will hold the food giants accountable for the social costs that keep climbing even as some of the industry's own say, "Enough already."

[The Shadow Over Innsmouth \(□□□□□□\)](#) - Howard Phillips Lovecraft 2011-09-15

This early work by H. P. Lovecraft was originally published in 1936. Born in 1890 in Rhode Island, USA, Lovecraft began writing at a very young age, quickly developing a deep and abiding interest in science. In 1913, Lovecraft joined the UAPA (United Amateur Press Association) but it was four years later, in 1917, that he began to focus on fiction, producing such well-known early stories as 'Dagon' and 'A Reminiscence of Dr. Samuel Johnson'. However, it was during the last decade of his life that Lovecraft produced his most notable works, such as 'the Dunwich Horror' and 'The Call of Cthulhu' which subsequently earned him his place as one of the most influential horror writers of the 20th century. Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions.

[All Work and No Play](#) - Julie Cohen 2012-06-01

She's got mail! But who's it from? Jane Miller is great at her job. That's the best she can say about her life, seeing as her fiance left her five days ago. Jonny Cole is a blast from Jane's past. Since he came back to England from California, they've been emailing. But they've not met face to face... They're about to hook up for a business lunch with his agent and he needs her not to recognise him - he needn't have worried, Jane simply doesn't associate her skinny, nerdy childhood friend with the beautiful male model in front of her! What she does see is the perfect antidote to her crushed heart. Can she allow herself a little playful flirtation? Who better to email for advice than her geeky childhood friend (the one who, unbeknownst to her, has been trying to get her to love him for years!) Jonny/ Jay has to decide which is more important: the truth or the girl?

[Dare to Love a Duke](#) - Eva Leigh 2018-12-24

Named one of Amazon's Best Romances of December! For a dashing

duke and the proprietress of a secret, sensual club in the London Underground, passion could lead to love... if they dare Thomas Powell, the new Duke of Northfield, knows he should be proper and principled, like his father. No more dueling, or carousing, or frequenting masked parties where Londoners indulge their wildest desires. But he's not ready to give up his freedom just yet. The club is an escape, a place where he can forget about society and the weight of his title... and see her, the woman he's wanted forever. Lucia—known as Amina—manages the Orchid Club, a secret society where fantasies become reality. But for Lucia, it's strictly business, profitable enough to finance her dream: a home for the lost girls of the streets. Surrounded by lovers, she only observes, unwilling risk her future for any man. No member has ever intrigued her...until him, the masked stranger whose heated looks sear her skin. After months of suppressed longing, they dare to give in to temptation... But the late duke's legacy comes with a shocking secret, and the scandal threatens to destroy everything Tom loves... his family, the Orchid Club, and even Lucia.

Mistress in Private - Julie Cohen 2008-04-01

She wasn't the kind of girl gorgeous men flirted with. She was plain Jane Miller—great at her job, organized, efficient, sensible. Except that every time she met Jay's deep blue eyes, she knew he wanted her. And she wanted him—the guy was seriously sexy! Perhaps it was time to let go for a change, and have the time of her life! Their intensely private and secret night together is mind-blowing, but now Jay has raised the stakes—he wants her as his mistress!

Mirrors - Eduardo Galeano 2009-05-26

Throughout his career, Eduardo Galeano has turned our understanding of history and reality on its head. Isabelle Allende said his works “invade the reader's mind, to persuade him or her to surrender to the charm of his writing and power of his idealism.” *Mirrors*, Galeano's most ambitious project since *Memory of Fire*, is an unofficial history of the world seen through history's unseen, unheard, and forgotten. As Galeano notes: “Official history has it that Vasco Núñez de Balboa was the first man to see, from a summit in Panama, the two oceans at once. Were the people who lived there blind?” Recalling the lives of artists, writers, gods, and visionaries, from the Garden of Eden to twenty-first-century New York, of the black slaves who built the White House and the women erased by men's fears, and told in hundreds of kaleidoscopic vignettes, *Mirrors* is a magic mosaic of our humanity.

Harriet Marwood, Governess - 1986

Torture Garden - Octave Mirbeau 2020-09-28

One evening some friends were gathered at the home of one of our most celebrated writers. Having dined sumptuously, they were discussing murder—apropos of what, I no longer remember probably apropos of nothing. Only men were present: moralists, poets, philosophers and doctors—thus everyone could speak freely, according to his whim, his hobby or his idiosyncrasies, without fear of suddenly seeing that expression of horror and fear which the least startling idea traces upon the horrified face of a notary. I—say notary, much as I might have said lawyer or porter, not disdainfully, of course, but in order to define the average French mind. With a calmness of spirit as perfect as though he were expressing an opinion upon the merits of the cigar he was smoking, a member of the Academy of Moral and Political Sciences said: “Really—I honestly believe that murder is the greatest human preoccupation, and that all our acts stem from it...” We awaited the pronouncement of an involved theory, but he remained silent. “Absolutely!” said a Darwinian scientist, “and, my friend, you are voicing one of those eternal truths such as the legendary Monsieur de La Palisse discovered every day: since murder is the very bedrock of our social institutions, and consequently the most imperious necessity of civilized life. If it no longer existed, there would be no governments of any kind, by virtue of the admirable fact that crime in general and murder in particular are not only their excuse, but their only reason for being. We should then live in complete anarchy, which is inconceivable. So, instead of seeking to eliminate murder, it is imperative that it be cultivated with intelligence

and perseverance. I know no better culture medium than law.” Someone protested. “Here, here!” asked the savant, “aren't we alone, and speaking frankly?” “Please!” said the host, “let us profit thoroughly by the only occasion when we are free to express our personal ideas, for both I, in my books, and you in your turn, may present only lies to the public.” The scientist settled himself once more among the cushions of his armchair, stretched his legs, which were numb from being crossed too long and, his head thrown back, his arms hanging and his stomach soothed by good digestion, puffed smoke—rings at the ceiling: “Besides,” he continued, “murder is largely self—propagating. Actually, it is not the result of this or that passion, nor is it a pathological form of degeneracy. It is a vital instinct which is in us all—which is in all organized beings and dominates them, just as the genetic instinct. And most of the time it is especially true that these two instincts fuse so well, and are so totally interchangeable, that in some way or other they form a single and identical instinct, so that we no longer may tell which of the two urges us to give life, and which to take it—which is murder, and which love. I have been the confidant of an honorable assassin who killed women, not to rob them, but to ravish them. His trick was to manage things so that his sexual climax coincided exactly with the death—spasm of the woman: 'At those moments,' he told me, 'I imagined I was a God, creating a world!'”

Picture-Book Professors - Melissa Terras 2018-10-31

How is academia portrayed in children's literature? This Element ambitiously surveys fictional professors in texts marketed towards children, who are overwhelmingly white and male, tending to be elderly scientists. Professors fall into three stereotypes: the vehicle to explain scientific facts, the baffled genius, and the evil madman. By the late twentieth century, the stereotype of the male, mad, muddlehead, called Professor SomethingDumb, is formed in humorous yet pejorative fashion. This Element provides a publishing history of the role of academics in children's literature, questioning the book culture which promotes the enforcement of stereotypes regarding intellectual expertise in children's media. This title is also available, with additional material, as Open Access.

Anna Karenina (Illustrated) - Leo Tolstoy 2014-08-12

Anna Karenina (Russian: «Анна Каренина»; Russian pronunciation: [ˈanːə kɐˈrʲenʲɪnə])[1] is a novel by the Russian writer Leo Tolstoy, published in serial installments from 1873 to 1877 in the periodical *The Russian Messenger*. Tolstoy clashed with editor Mikhail Katkov over political issues that arose in the final installment (Tolstoy's unpopular views of volunteers going to Serbia); therefore, the novel's first complete appearance was in book form in 1878. Widely regarded as a pinnacle in realist fiction, Tolstoy considered *Anna Karenina* his first true novel, when he came to consider *War and Peace* to be more than a novel. Fyodor Dostoyevsky declared it to be flawless as a work of art. His opinion was shared by Vladimir Nabokov, who especially admired the flawless magic of Tolstoy's style, and by William Faulkner, who described the novel as the best ever written.[2] The novel is currently enjoying popularity, as demonstrated by a recent poll of 125 contemporary authors by J. Peder Zane, published in 2007 in *The Top Ten in Time*, which declared that *Anna Karenina* is the greatest novel ever written

A Portrait of the Artist as a Young Man - James Joyce 2021-08-06

Thomas Hardy (2nd June 1840 □ 11th January 1928) was an English novelist and poet. He was influenced by Romanticism and it has been reflected in his novels and poetry. He was criticised by the Victorian society on the issue of the declining status of rural people in Britain. He was basically a poet. Initially he started writing poems. But he gained fame after his novels, such as □ *Far from the Madding Crowd*, *The Mayor of Casterbridge*, *Tess of the d'Urbervilles* and *Jude the Obscure*. Two of his novels, □ *Tess of the d'Urbervilles* □ and □ *Far from the Madding Crowd*, were listed in top 50 on the BBC survey- *The Big Road*. The story of □ *Tess of the d'Urbervilles* □ revolves around a 16 year old very simple girl, named Tess Durbeyfield, who is the eldest daughter of John and Joan Durbeyfield. Since the family suffers acute financial crisis, so they approach the d'Urbervilles family who are holding huge land and having lot of money. There Tess meets Alec d'Urberville, who finds himself attracted to Tess. When Tess started working as a caretaker of Alec's blind mother's poultry farm, Alec gets an opportunity to rape her. After

that there are many ups and down in Tess's life. She meets Mr. Crick for another job. She also meets one more fellow Angel Clare, who is a travelling farmer's apprentice. They marry each other. But after knowing her story, again there is a turn in Tess's life. How she manages all such situation, how she meets all the financial aspects, lot of things happen with Tess. Even Alec and Angel both start searching for Tess. So, the story has become very interesting, full of climax. How Tess meets Alec or Angel? Whether she gets involved with any of these two again? There are so many presumptions. Readers will surely enjoy the story, full of suspense and never expected ups & downs in the life of all the characters. At last, how Angel helps Tess and her family is the climax. Go ahead and must grab the book. A must read book for self development and how to be a good leader.

The Information - James Gleick 2011-03-01

From the bestselling author of the acclaimed *Chaos and Genius* comes a thoughtful and provocative exploration of the big ideas of the modern era: Information, communication, and information theory. Acclaimed science writer James Gleick presents an eye-opening vision of how our relationship to information has transformed the very nature of human consciousness. A fascinating intellectual journey through the history of communication and information, from the language of Africa's talking drums to the invention of written alphabets; from the electronic transmission of code to the origins of information theory, into the new information age and the current deluge of news, tweets, images, and blogs. Along the way, Gleick profiles key innovators, including Charles Babbage, Ada Lovelace, Samuel Morse, and Claude Shannon, and reveals how our understanding of information is transforming not only how we look at the world, but how we live. The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

Emma - Jane Austen 2018-05-09

Emma, by Jane Austen, is a novel about youthful hubris and the perils of misconstrued romance. The story takes place in the fictional village of Highbury and the surrounding estates of Hartfield, Randalls, and Donwell Abbey and involves the relationships among individuals in those locations consisting of "3 or 4 families in a country village". The novel was first published in December 1815 while the author was alive, with its title page listing a publication date of 1816. As in her other novels, Austen explores the concerns and difficulties of genteel women living in Georgian-Regency England; she also creates a lively comedy of manners among her characters and depicts issues of marriage, gender, age, and social status.

A Lady Becomes A Governess (Mills & Boon Historical) (The Governess Swap, Book 1) - Diane Gaston 2018-06-28

A most unlikely governess... ..with a shocking secret

[The Victorian Governess](#) - Kathryn Hughes 2001-01-01

The figure of the governess is very familiar from nineteenth-century literature. Much less is known about the governess in reality. This book is the first rounded exploration of what the life of the home schoolroom was actually like. Drawing on original diaries and a variety of previously undiscovered sources, Kathryn Hughes describes why the period 1840-80 was the classic age of governesses. She examines their numbers, recruitment, teaching methods, social position and prospects. The governess provides a key to the central Victorian concept of the lady. Her education consisted of a series of accomplishments designed to attract a husband able to keep her in the style to which she had become accustomed from birth. Becoming a governess was the only acceptable way of earning money open to a lady whose family could not support her in leisure. Being paid to educate another woman's children set in play a series of social and emotional tensions. The governess was a surrogate mother, who was herself childless, a young woman whose marriage prospects were restricted, and a family member who was sometimes mistaken for a servant.

My Place - Sally Morgan 2010-04-01

My Place begins with Sally Morgan tracing the experiences of her own life, growing up in suburban Perth in the fifties and sixties. Through the memories and images of her childhood and adolescence, vague hints and echoes begin to emerge, hidden knowledge is uncovered, and a fascinating story unfolds - a mystery of identity, complete with clues and suggested solutions. Sally Morgan's *My Place* is a deeply moving account of a search for truth, into which a whole family is gradually drawn; finally freeing the tongues of the author's mother and grandmother, allowing

them to tell their own stories.

Imperial Leather - Anne McClintock 2013-10-01

Imperial Leather chronicles the dangerous liaisons between gender, race and class that shaped British imperialism and its bloody dismantling. Spanning the century between Victorian Britain and the current struggle for power in South Africa, the book takes up the complex relationships between race and sexuality, fetishism and money, gender and violence, domesticity and the imperial market, and the gendering of nationalism within the zones of imperial and anti-imperial power.

The Subjection of Women - John Stuart Mill 1870

"The object of this essay is to explain as clearly as I am able, the grounds of an opinion which I have held from the very earliest period when I had formed any opinions at all on social or political matters, and which, instead of being weakened or modified, has been constantly growing stronger by the progress of reflection and the experience of life: That the principle which regulates the existing social relations between the two sexes- the legal subordination of one sex to the other- is wrong in itself, and now one of the chief hindrances to human improvement ; and that is ought to be replaced by a principle of perfect equality, admitting no power or privilege on the one side, nor disability on the other."--Page 1.

The English Governess - Miles Underwood 2004-06-01

Poet John Glassco wrote a great many unusual and eccentric works during his career, and ranks among the finest Canadian authors of the 20th Century. This particular title, published under the pseudonym "Miles Underwood," has achieved status as a must-have in your BDSM library. It is the account of Harriet Marwood, summoned to tutor the son of a 19th Century Victorian businessman, Arthur Lovel, whose wife has died, in the proper way to conduct himself, and to quit what is wonderfully termed "self-effacing." Our Ms. Marwood soon takes over the house, leaving the businessman free to consort with Kate, his whore, and the boy, young Richard, at her mercy, where he most wants to be.

THE RELUCTANT GOVERNESS - Anne Mather 2020-08-26

Victoria's been hired to tutor Sophie, but the girl has a defiant attitude. Victoria soon begins to question what happened to Sophie's mother, but the baron refuses to discuss it. As curt as he may be, Victoria can't help but fall for the kindness in his eyes when he looks at his daughter. But she knows she shouldn't... Besides, the baron is a married man!

Women, Race, & Class - Angela Y. Davis 2011-06-29

From one of our most important scholars and civil rights activist icon, a powerful study of the women's liberation movement and the tangled knot of oppression facing Black women. "Angela Davis is herself a woman of undeniable courage. She should be heard."—The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women's rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger's racism. Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.
